

Parents Evening Questionnaires Summary

As you are aware, one of the features of parents evenings this year has been the opportunity to complete a questionnaire to give us your views and opinions about aspects of the school and your child's experience of it. Below we publish the survey results from this year.

'But what are we doing with it?'

- There are in-school working groups discussing the various areas, evaluating the data and looking at ways of improving what we do.
- We are organising Parents discussion groups or forums to explore some areas and issues more closely
- The School Council, the 'Voice of the Students' will discuss the findings and report their ideas and opinions

As a result of all the consultation the School Development Plan will reflect the views and ideas of our parents and enable us to work in the spirit of true partnership.
