

The Armthorpe School

A Specialist School in The Arts and Sport

March 2010

Dear Parent/Carer

The Year 8 Optional Tests in Mathematics will run on Wednesday 21st April and Thursday 22nd April 2010. The timetable is attached to this letter including details for the examination venue and exact starting times.

The examinations start at 9.00am, as pupils will be attending 'warm-up' sessions for 20 minutes before the examination (except Mental Mathematics). Please help your son or daughter to check their commitment and to be present for all examinations. If your child is absent for any reason, they will be expected to sit the examination at the earliest possible time on their return to school.

All examinations must now be completed using **BLACK** ink. Calculators can be used in one of the Mathematics papers. Please ensure that your child has the right equipment for these examinations.

We would be grateful if you could support and encourage you son or daughter during this important period, so that they can be as successful as possible. If you have any queries about these arrangements, please contact one of us at the school.

Yours sincerely

Mrs L Covell
Examinations Officer

Mr J Sharpe
Head of Year 8
